THE AGE OF
CONSEQUENCES
A MOVIE SCREENING EVENT

Come join us to watch a movie on climate change through the lens of national security and global stability, the impacts of increased resource scarcity and migration and how climate stressors interact with societal tensions, sparking conflict.

Stay after the film for a post-film discussion led by Dr. Paul Blowers and Dr. Ed Prather!

When: Friday, January 19th Doors open at 5:30pm, Movie Starts at 6pm
Where: Student Union: Gallagher Theater

Brought to you by the UA’s Students for Sustainability, VETS Center, Office of Sustainability, and ASUA
